WORK EXPERIENCE

LSU Athletics

May 2023 - July 2026

Athletic Communications Student Assistant

Baton Rouge, LA

- Served as primary communications contact for LSU Women's Tennis for two seasons, overseeing media relations, official social media accounts, interviews, statistics, and day-to-day communications needs.
- Wrote and published more than 200 press releases along with feature stories, match previews and recaps, ranking updates, and other content for LSUSports.net.
- Developed and executed social media strategy, publishing 3,828 organic posts that generated more than 9.2 million impressions and 199,700 engagements, contributing an estimated \$225,000 in social media value since July 2024.
- Increased the LSU Women's Tennis Instagram audience by 53.6 percent, from 4,751 to 7,296 followers, through strategic content planning, game-day coverage, and digital storytelling.
- Contributed to LSU Women's Tennis ranking fifth nationally in organic posts, sixth in organic impressions, and ninth in organic engagements among NCAA women's tennis programs.
- Designed game notes, media guides, record books, player biographies, and other communications materials using Adobe InDesign and Photoshop.
- Coordinated interviews, maintained NCAA and LSU statistical databases, updated team records, and built professional relationships with coaches, student-athletes, and local and national media.
- Assisted communications operations across football, softball, soccer, and women's tennis, including press box operations, credentialing, postgame media responsibilities, and event coverage.
- Tracked live statistics for LSU Football and LSU Soccer using NCAA Live Stats, ensuring accurate data distribution to ESPN, conference, and institutional statistical platforms.
